## Why Sponsor or Exhibit?

The **Defense Leadership Forum** has a long history of producing highly-valued defense contracting conferences. Thousands of Congressional, military, government, and business leaders have participated in our annual events.

There are a variety of opportunities at our Summits to meet government and military decision-makers and industry professionals.

In addition to the General Session presentations, our events feature a VIP Networking Reception, Networking Lunch with Exhibitors, and more.

Our Summits also feature matchmaking sessions, which have been highly successful in allowing Small Businesses and Prime Contractors to identify potential alliances and teaming partners.

Display your products, services, and technologies to hundreds of business professionals and decision-makers representing a variety of defense specialties.

As a public servant, I support the DoD in the federal procurement space. I have attended Defense Leadership Forum Summits in recent years across multiple topics of focus and they continue to gather the great minds and valued contributors in American Federal Procurement. The network that continues to be built with the support of DLF is in the forefront of collaborative exchange and partnering for valued outcomes. - J. Piquero

"We were able to address fundamentally the need for both communities, that is the public sector community and the private sector community to come together, to partner, to collaborate. to operate based on trust. It was a very worthwhile session." General Norton Schwartz, 19th Chief of Staff of the Air Force, Keynote Speaker

"We've been able to see some friendly faces year after year we've been able to strategically partner with and we use this conference to meet and greet new potential partners and strategize solutions." Leandra Cain, Hurricane Aerospace Solutions, Sponsor & Exhibitor

"Even today we set up a JV to execute a project on a military base, and we're looking for many more to come. It's been a great opportunity for us to build relationships through the Defense Leadership Forum network." Matthew Garry, RapidBuilt, Sponsor & Exhibitor

Debbie Brown, Deputy District Director, North Florida District U.S. Small Business Administration

# Defense Leadership Forum

**ABOUT US** 

The Defense Leadership Forum is a public service organization bringing together Congressional leaders, Pentagon officials, military base commanders, and business representatives to identify the best solutions to defend the United States.

We organize educational forums in the Washington, DC area and throughout the country. Our highly regarded conferences provide the latest information on Defense Department budgets; the mission and contracting priorities of the U.S. Navy, U.S. Army, U.S. Air Force, and U.S. Marine Corps; the mission and contracting priorities of specific military commands and military bases; and details on specific new military contracts in all areas of procurement, including ships, aircraft, tanks, missiles, ammunition, vehicles, electronics systems, communications systems, information systems, energy, intelligence, cyber security, military construction, facilities, military family housing, health, infrastructure modernization, and more.

The Summit organizers have brought together more than 150,000 government, military, and business leaders to identify solutions to enhance the defense and security of the United States. More than 1,500 speakers have participated.

#### **OUR EVENT FORMAT**

#### Bringing leaders together is more than a phrase, it is our motto.

At the **Defense Leadership Forum**, we strive to bring military, government, and business leaders together with one simple goal – *to provide the opportunity to build connections* – leading to shared resources, partnering, and information exchanges regarding contracting opportunities. Our forums include the latest information on the defense budget; new contracting opportunities with the Air Force, Army, Navy, and Marine Corps; new contracting opportunities in high-tech areas, especially AI and Cyber; and new contracting opportunities in the critical U.S. Indo-Pacific Theater. Join us for powerful general sessions with key leaders, matchmaking sessions with military officials and industry executives, cutting-edge exhibits, effective networking, and opportunities for post-event follow-up.

#### **MATCHMAKING SESSIONS**

Summit Matchmaking Sessions are an opportunity to participate in meetings with representatives from various government agencies, contracting services, prime contractors, and industry professionals -- to facilitate targeted information exchange and matching needs with resources and solutions.
